Made Possible by

Seven graphs of the enterprise

Suppliers

Route planning & optimization
Real-time shipment tracking
Inventory planning
Risk analysis

Product

Product recommendations
New product introductions
Product customizations
Product inventory
Product pricing

Customers

Recommendations
Loyalty programs
Churn prevention
Customer offers
Dynamic pricing
Intelligent ads

Employees

Talent learning & development
Career management
Skills management
Orgs (who is who)
Job search

Network & Security

Account/identity control
Reputation scoring
Threat detection
Access control
Zero trust

Process

Bottleneck identification
Process improvement
Process automation
Process monitoring

Finance

Anti-money laundering
Circular payments
Fraud detection

Graph Academy — RAG

Learn everything you need to know to combine Generative AI and knowledge graphs to produce highly accurate responses, with rich context and deep explainability.

https://dev.neo4j.com/ga-rag

① **KNOWLEDGE GRAPH FUNDAMENTALS**

Knowledge graphs provide the foundation for representing complex relationships that traditional databases can't effectively handle.

② **BUILDING KNOWLEDGE GRAPHS**

Learn how to combine structured and unstructured data to create a knowledge graph.

③ **APPLIED GraphRAG PROJECTS**

Apply everything you've learned to build production-ready GraphRAG application that deliver more accurate, contextual, and explainable AI results.

④ **EVALUATING GraphRAG**

Learn how to evaluate the performance of your GraphRAG applications and understand the metrics that matter.
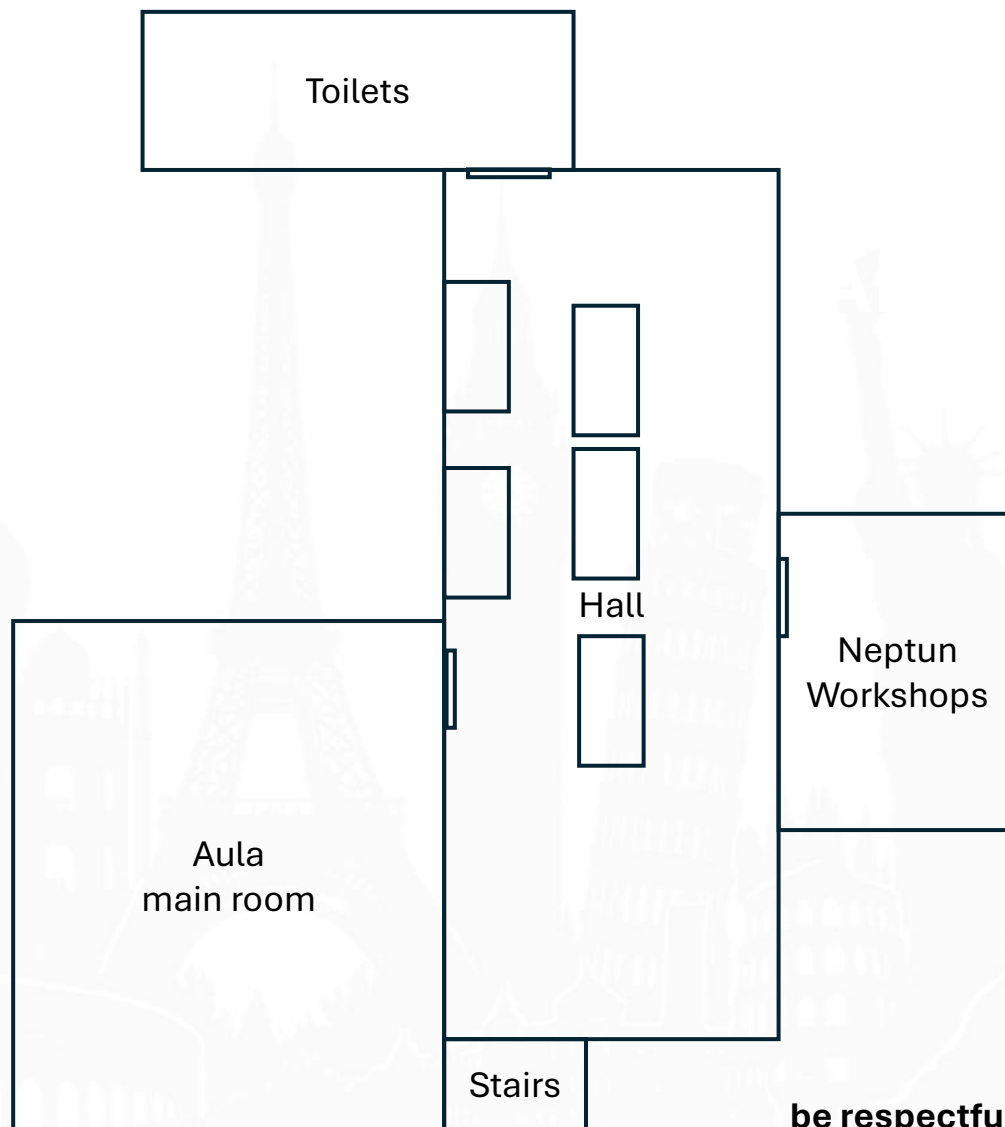

- Vibrant engineering community
- Learning across all dev lines
- Applied AI with dedicated teams

Event Logistics

Share the day on social!
We'd love to see your photos and key takeaways throughout the day — please tag and use: @GlobAICommunity #AgentCon #Zurich #AgentConZurich #AgenticAI #GlobalAIZurich
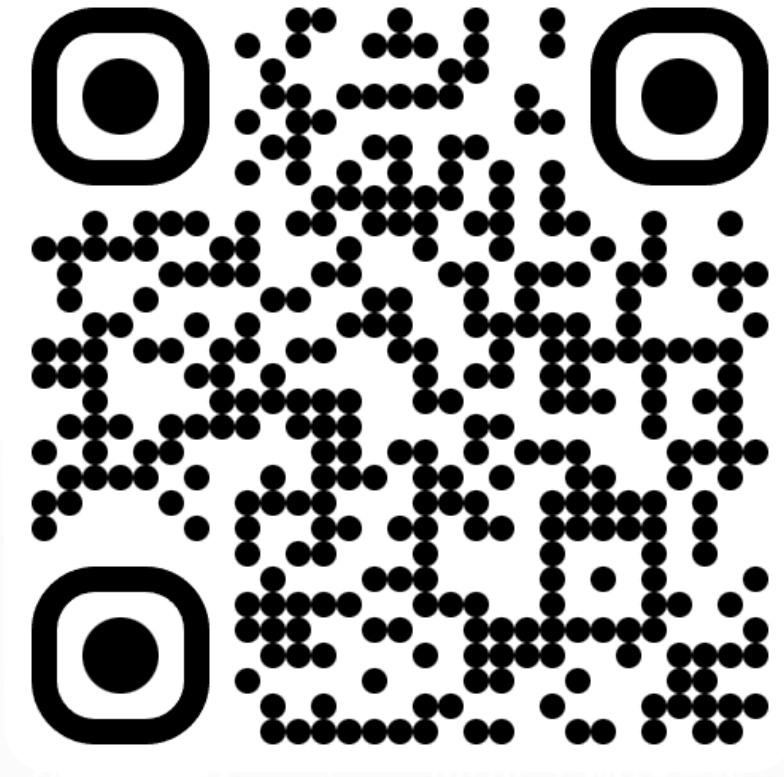

- **Venue logistics & conduct**
  Please keep all packaging inside your brownbag, and when you're done leave the brownbag on the tables near the wall.
- Toilets: at the end of the hall.
- Exits: accessible via the stairs; the main building exit is directly in front of the stairs
- Phones: please keep cellphones silenced during sessions. If you must take a call, leave the room silently before speaking/unmuting.

Toilets

Hall

Neptun Workshops

Aula
main room

Stairs

be respectful and behave appropriately. If someone does not comply, we may need to **ask them to leave the venue**.

Thanks to local AI Communities!
